

Welcome back student athletes and parents/guardians!

I am happy to announce I will be continuing as the athletic director for the 2024-25 school year. Here at North Brookfield Jr/Sr High School, our athletic community is continuing to defy the odds. Last year, the varsity field hockey team traveled to compete in the state tournament. The girls varsity basketball team won the Worcester County Athletic Conference (WCAC) tournament and continued their season competing in the state tournament. Both of our varsity basketball coaches, Caitlyn Malone and Garrett Kinnen, were voted "Coach of the Year" by the WCAC athletic directors. Last but not least, class of 2024 graduate, Jose Rivera, scored over 1,000 points during his NB basketball career. After a phenomenal year last year, I am excited to see where this year takes us as we continue to strengthen and grow our sports programs!

Please don't hesitate to reach out if you have any questions,

Karlee Kemp
